Subject: POSTPONEMENT OF THE 10th ANNUAL CONCERT

Dear OCFC Friends and Supporters:

Please be advised that Orange County Friendship Choir, the 10th Annual Concert, scheduled to be held on Sunday, March 15th, 2020, has been indefinitely postponed. We hope to reschedule it later in the year.

OCFC regrettably made this decision on March 5, following the State of Emergency declared by the Governor of California surrounding the fast-moving threat of the Novel Coronavirus (COVID-19) taking place in Southern California and globally.

For those who already have donated for the ticket, made a contribution, or placed an advertisement in our program, we will refund you in entirety. When a ticket is returned, a refund check will be issued in exchange. For contribution and advertisement, OCFC will issue a refund check and with its issuance, the receipt you have previously received will become nullified. Please contact one of OCFC members, if you have any questions. We would appreciate your disseminating this announcement to your friends and acquaintances.

OCFC is grateful for your understanding and continued support. We sincerely hope, with the necessary precautions, everyone will stay healthy and be able to bring this global crisis to an expedient end.

Please send all inquiries to ocfchoir@gmail.com.

Sincerely,

Hiroshi Kamei
President
